

# THE BOB ADAMS FOUNDATION

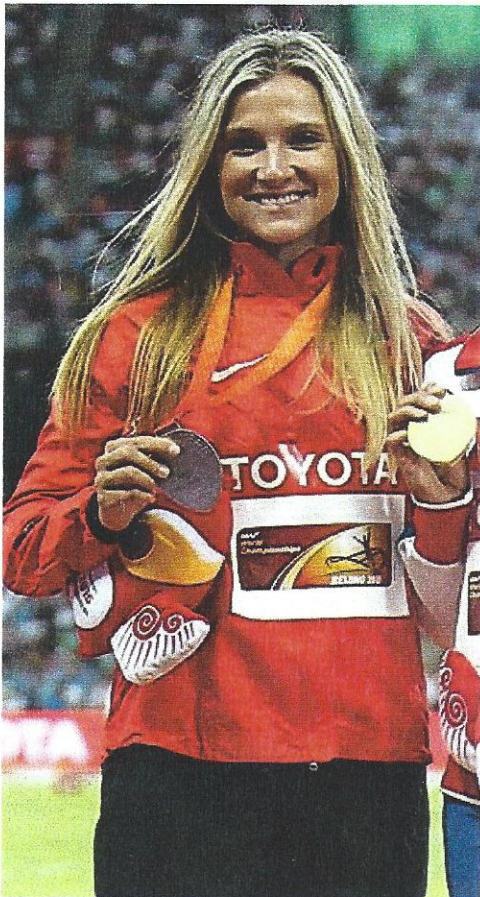

*In pursuit of excellence through track and field*

## Meet and Greet Saskatchewan's Brianne Theisen-Eaton Ranked #1 in the World's Heptathlon

The Bob Adams Foundation is pleased to invite Saskatoon School Students to Griffiths Stadium to meet this outstanding athlete. We wish to celebrate her silver medal at the World Track and Field Championships, held last month. We also wish to let Brianne know we will be cheering for her at the Olympics in 2016.

The afternoon's program will start at 1:00 p.m. at Griffiths Stadium. We are hoping to have many students come out to meet this outstanding athlete. But, you don't have to be a child to come! She will speak briefly of her journey to success and share personal time with us all. Join her in a walk around the track with opportunity for pictures, autographs and conversation until 4:00 p.m.

She is sure to inspire
