Riversdale collects \$200 from each family for fundraising fees. Throughout the year athletes are given chances to earn back this money through fundraising activities: delivering phone books, Old Dutch chips, Coop gift cards, poinsettias, cookie dough, Mom's Pantry, bottle drives, etc. More information is sent out prior to the start of each fundraiser. The money raised also supports our club and its development of coaches, purchase of equipment, and athlete training. Participation in fundraising is voluntary. Athletes may continue to earn back not only their fundraising fee but all of their club fees as well.
